

LEAP at a glance:

LEAP stands for Learning Elementary to Advanced Piano.

LEAP is offered to qualified students between the ages of 8 and 14 who are economically disadvantaged in the greater Naples area.

LEAP student prospects may be nominated by their school's music teacher, or another professional, and must complete an application process.

LEAP students will be given a keyboard, and weekly piano lessons.

LEAP parents must promise to provide weekly transportation to and from lessons, and encourage daily practice.

The LEAP Scholarship Committee may extend this offer for up to three years, and perhaps longer on a case by case situation.

LEAP students must be accountable for their lessons and continue to show adequate progress.

LEAP students will participate in a recital at the end of the academic school year.
